

VISION 365 (UV365)

UV LED Inspection Lights

LIGHTWEIGHT • COMPACT • 365NM PEAK • IP65 RATING

High power rechargeable UV LED Torch for NDT Inspections, Leak Detection and Crime Scene Investigation etc.

The VISION 365 (UV365) Blacklight UV LED torch offers a lightweight compact, long life, high durability solution to UV inspection techniques.

The high-powered LED gives intensity greater than $6000 \mu\text{w}/\text{cm}^2$ at 400mm.

The battery life is approximately 6 hours (*continuous Use*) enabling longer inspection periods.

Specifications

- Single UV LED (6W) 365 nm (Peak Wavelength) LED life 20,000 hours on constant (approx.)
- Aircraft grade aluminium, hard anodized finish, extreme corrosion and wear resistance o-ring sealed body
- Recessed tail cap switching mechanism is designed to prevent unintentional activation of the torch
- IP65 Rating and shock resistant
- Instant start up
- Intensity $>6,000 \mu\text{w}/\text{cm}^2$ at 400 mm
- Length 14cm 5.5 inches
- Weight 185 grams including battery
- Battery life approx. 6 hrs (3 hours per battery)
- Re-charge time approximately 4 hrs

The Vision 365 (UV365) kit consists of: -

- 1 x Vision 365 Blacklight UV torch
- 1 x Wrist Strap
- 2 x O-Ring (*spares*)
- 1 x Battery charger
- 1 x Charging lead Set
- 1 x Car charging Lead
- 1 x Battery + 1 x Spare (*two supplied, one required to operate*)
